

GOMBE House eCommerce Website Quotation

Client Name : Gombe house

Date : Monday, May 11, 2026

1. Proposal Overview

We aim to develop a responsive, scalable, and user-friendly eCommerce website tailored to your business needs, enhancing your online presence and customer experience.

1. Features and Functionalities

- Responsive Design:** Mobile, tablet, and desktop compatibility.
- Product Catalog Management:** Categories, filters, detailed descriptions, and reviews.
- Search Function on Home Page:** Advanced search bar for quick product discovery.
- Pincode-Based Shipping:** Customers can check serviceability, delivery charges, and estimated time based on their PIN code.
- Shopping Cart & Wishlist:** Add/remove items, and save favorites for later.
- Secure Checkout:** Multiple payment options with integrated gateways like Razorpay and PayPal.
- Order Management:** Track orders and shipping updates with notifications.
- Admin Dashboard:** Manage products, inventory, orders, and analytics.
- Customer Dashboard:** Profile management, order history, and saved addresses.
- SEO Optimization:** SEO-friendly URLs, meta tags, and descriptions.
- Customer Support Features:** FAQs, contact forms, and live chat integration.
- Social Media Integration:** Links to Facebook, Instagram, and Twitter.

3. Website Pages

- Home Page:** Highlight featured products, categories, and promotions, and include an advanced search bar.
- About Us:** Showcase your brand story, vision, and mission.
- Shop by Category:** Product categories like electronics, fashion, etc.
- Product Listing:** Display products with filters and sorting options.
- Product Detail Page:** Detailed product information, images, and reviews.
- Shopping Cart:** View and manage selected items.
- Wishlist:** Save favourite items for future purchases.
- Checkout Page:** Secure payment and shipping options.
- Order Confirmation:** Display order summary post-purchase.
- Track Order:** Real-time order tracking.
- Customer Dashboard:** Manage profile, order history, and addresses.
- FAQs:** Answer common customer queries.
- Offers & Promotions:** Showcase sales, discounts, and deals.
- Blogs & News:** Publish updates, articles, and announcements.
- Contact Us:** Simple contact form and customer support details.
- Legal Pages:** Privacy Policy, Terms & Conditions, and Refund Policy.

4. Technology Specification

- **Frontend:** HTML5, CSS3, JavaScript.
- **Backend:** ASP.NET Core MVC.
- **Database:** MS-SQL.
- **Payment Gateways:** Razorpay.
- **Hosting:** Dedicate Cloud Server Hosting.

5. Commercials

Note: Third-party integrations (e.g., SMS API, shipping providers like ShipRocket, and additional tools) may require extra charges depending on selected services.

1. **Advance Payment:** 70% of the project cost upon project initiation.
2. **1st Installment:** 20% of the project cost after 70% of the work is completed.
3. **Final Payment:** Remaining 10% upon project completion and approval.
